## Volunteer Opportunities:

Are you interested in volunteering for one of our many PTA sponsored events? There is something that fits everyone's interest and schedule. Even if you only have limited time to give, we can find something that works for you! Please remember, all of our events require donations and volunteers to make them a success and we are so grateful for any sponsorship you can give.

Below is a list of many of the events we have hosted in previous years. These events require coordinating, set up, clean up, data entry, and volunteering during the actual event. ***You can volunteer for as much or as little as you want within the given event.*** Often we send home requests to donate items, too. **Please check all events you are interested in participating in so that we may contact you to help:**

If you'd like additional information on any particular event, please contact us at [bwbpta@gmail.com](mailto:bwbpta@gmail.com). Some of these events occur annually and some depend on whether there is enough interest expressed in hosting them. And, if you have any ideas or suggestions, please contact us!
